It is today an instrument of unquestioned excellence and recognized among musicians as a Piano which has no equal. A perfect Piano.

A partial eclipse of the sun took place yesterday. A total eclipse of the "Bull" will occur in November.

"Bull" wants it again. He says he would be delegate from New Mexico, and will the Republicans please steal it for him once more.

Again we beg leave to doubt Governor Curry's Democracy. If he were a real Democrat he would favor the nomination of Andrews by the Republicans, thus insuring the election of Larrazola.

The Record predicts that the two Democrats on the Fourth of July program, Capt. Bujac and Rev. John W. Smith, will make better speeches than any of the Republican celebrities.

ties billed for that date in Roswell, so there need be no fear of the Republicans trying to make a political affair of the celebration. They simply cannot afford to try it with Smith and Bujac to follow them.

"A correspondent of the Roswell Register-Tribune, a Republican paper, comes out in strong terms against the Chaves county Democracy and then signs himself a Real Democrat. We agree with him about his Democracy, and have no doubt but that he is a Real Rotten Democrat, and may the Lord deliver us from just such Democrats.—Roosevelt County Herald.

As Hagerman Saw It. Special to the Daily Record. Hagerman, N. M., June 27.—In one of the best ball games in the valley this year Hagerman beat Lake Arthur by the score of 7 to 2 here today.

Lake Arthur was strengthened with Roswell's best players. Wynne, Craig and Caldwell. Wynne pitched a fine game, but Hagerman's fielding and base-running clearly outclassed the visitors. All pitched a fine game and was supported without an error. This makes a straight victory on the home diamond for Hagerman.

The returning Roswell players admit Caldwell's error, but state that it was hardly chargeable to him, as he picked up the ball right back of the pitcher's box, and it was easily Bratton's chance. They state, also, that other runs were made following errors by Lake Arthur players that should have been the third out. Caldwell returned Sunday morning and Craig and Wynne remained to fish a few days.

Mack T. Taylor, one of Joyce-Pruitt's old time clerks, who is now with M. Born & Co. of Chicago, left Sunday night for points south, after spending several days in Roswell.

A. J. Witteman went to Clovis, on Sunday on a business trip.

Dr. and Mrs. G. B. Burrus left this morning for their home in Union City, Tenn. Mrs. Burrus had been here about two months, but Dr. Burrus came ten days ago. They were visiting Dr. Burrus' brother, W. C. Burrus, and Mrs. G. B. Burrus' brother, J. C. Davis and family.

D. S. Snowberger, who had been visiting his uncle, Jerry Brown, seven miles southwest of Roswell, for a week, left this morning for his home near Altoona, Pa.
